

TexasBankersFoundation

April is Financial Literacy Month & April 29, 2008 is Teach Children to Save Day:

Catch the National Media Wave and be part of the Texas Solution

Recent banker surveys on consumer education and financial literacy programs reveal that many banks and bankers are interested in beginning or enhancing a financial education program, but just don't know where to start.

For those banks needing help getting started or for those wanting to supplement their current efforts, we are providing two very valuable tool kits developed by the ABA Education Foundation. These Teach Children to Save Resource kits have everything you need to get started. The resource kits are available for Grades K-6 and Grades 7-12. Each resource kit includes:

Age-Appropriate Lessons

- Engaging Student Worksheets
- Step-by-Step Lesson Plans for Each Activity
- Large Display Poster
- Media Tips and Talking Points
- Family Resources — Information you can send home

All that is missing from the kits is the local banker, who:

- Contacts his or her school connections
- Schedules an appointment to teach on April 29, 2008
- Delivers the 45-minute program

The Teach Children to Save program offers you and your bank a special opportunity to teach today's youth the important habit of saving. This program has a proven track record and provides age-appropriate lessons that are **EASY** to teach and **EASY** for audiences to comprehend. Lesson plans and activities are neatly grouped by grade level, and the tab dividers keep you organized. **And it can be used year-round.**

The Texas Bankers Foundation and the IBAT Education Foundation invite you to join us in promoting **Financial Literacy Month in April and Teach Children to Save Day on April 29, 2008.** It's a great time to highlight your bank's ongoing financial literacy efforts or to kick-start your bank's involvement in financial education.

Through a special arrangement with ABA, we are able to offer all Texas bankers the member discounted price on all orders.

Both kits (Grades 8-6 and 7-12): \$170

Grades K-6 kit: \$95

Grades 7-12 kit: \$95.
